### This is us:

We, the GO Europe GmbH, were formed on 01.03.2019 from the merger of GENIE GmbH & Co. KG and Olympia Business Systems Vertriebs GmbH. We employ around 70 people. As a supplier of office technology based in Hattingen in the Ruhr region, we develop and distribute products and accessories with our diverse range of brands.

We are proud to call ourselves the leading supplier of products from the paper, office and stationery sectors, or PBS for short. Our portfolio starts with low-priced entry-level models and extends to technically sophisticated devices in the higher price categories. Our products are distributed through the international office equipment traders in Europe, the Middle East and Africa, called EMEA region. We also sell our products in the non-food assortment of leading department stores as well as in online retailing.

### Our brand world:

With our core brands Olympia and GENIE, we offer you an extensive product selection around the topic of office technology and office equipment. Besides alarm systems, our portfolio also offered products in the baby assortment, party accessories, insect repellent and smart home solutions. We are also a successful producer of various international OEM brands and act as a licensee for well-known brands such as HP and DMAX. In 2020, we concluded a licensing agreement with HP for document shredders and laminators.
